

CAN DO CANDONI®

ORGANIC MERLOT I.G.T.

TASTING NOTES

Our Organic Merlot is a full-bodied red with smooth tannins. It's fruity aromas blend with flavors of blackberry, cherry and black currant.

FINISHED WINE

Varietal Content: 100% Organically Grown Merlot
Region: Veneto
Appellation: I.G.T.
Alcohol level: 13% by volume
Content: 750 ml / 12 units in a case

FOOD PAIRINGS

It's round character makes it a great accompaniment to just about any meal.

HOW TO SERVE IT

Just below room temperature at 64°F in a wide-bowl red wine glass.

CONSERVATION

The bottle should be kept in a horizontal position in a dark, cool place with a constant temperature.

VINEYARD & WINEMAKING NOTES

Our Organic Merlot is only made from 100% Organically Grown Grapes cultivated in the unspoiled countryside of the Veneto Region in northeast of Italy. Our grapes are cultivated according to the method of organic agriculture, which is free from fertilizers, herbicides, insecticides, and all other synthetic chemical substances. In addition, we do not add sulfites to our Organic Merlot. Candoni Organic Wines are all certified organically grown by the Italian government verification organization "Suolo e Salute."
