VINEYARD & WINEMAKING NOTES

Our Organic Pinot Grigio is only made from 100% Organically Grown Grapes cultivated in the unspoiled countryside of the Veneto Region in the northeast of Italy. Our grapes are cultivated according to the method of organic agriculture, which is free from fertilizers, herbicides, insecticides, and all other synthetic chemical substances. In addition, we do not add sulfites to our Organic Pinot Grigio. Candoni Organic Wines are all certified organically grown by Italian government verification organization "Suolo e Salute."
