CANDONI DE ZAN FAMILY WINES

“We are an Italian, family-run winery, committed to excellent winemaking for over one hundred years. We feel great pride and gratitude for the magic land we come from and want our Candoni Painted Bottle Wine Collections to be a celebration of its beauty and culture that the Etruscans started more than 2000 years ago in Italy.”

ITALY MAP

CULTIVATING OUR HERITAGE... 2000 YEARS AND COUNTING!

The Etruscans introduced the grapevine to the Italian peninsula. Since then, wine has been a constant in Italian culture. For generations our Candoni family has paid homage to these ancient roots by preserving and cultivating our winemaking heritage, to which our fine wines and artisanal bottles are a testament.

OUR PAINTED BOTTLES

All our bottles are painted with a technique called serigraphy which is a method of using ceramic natural colors melted on the glass of the bottle to create a unique piece of art.
